Aftercare for Pleated Blinds

Operating

To ensure your pleated blinds stay looking their best for many years to come, follow the straightforward operating and cleaning instructions below:

- The cord on the Pleated blind operates the height of the blind.
- To release the cord lock, pull the cord forward then raise or lower the blind to achieve your desired effect.
- Re-lock the cord by pulling it towards the window.
- To release the cord lock, pull the cord forward then raise or lower the blind to achieve your desired effect.
- Re-lock the cord by pulling it towards the window.

Cleaning

Pleated blinds simply need to be dusted using an Ostrich Feather Duster. Be careful not to damage the pleats by pressing to hard.

WARNING: In the interest of safety, it is advisable to keep all pull cords and chain/bead cords out of the reach of children.
